

FREE After School
Care

Studies show that youths under the age of 18 are more likely to get in trouble between the hours of 3 p.m. and 7 p.m. when they are not involved with some type of youth development program.

Evergreen After School Club provides after school and summer programming for Indiana County area youth. EASC is a non-profit organization dedicated to promoting the educational and character development of boys and girls in a safe and caring environment. To date, EASC has served over 1,500 members and their families in Indiana County through the dedication of trained, caring, professional staff and volunteers who provide core programs that give youth the knowledge, skills, and attributes they need to pursue their dreams and succeed in life.

Our Mission:

“To serve youth in the region through Evergreen After School Club core programs.”

We focus on:

Character & Leadership Development;
Education & Career Development;
Health & Life Skills; The Arts; and
Sports

“Funded in full or in part with a grant by the Pennsylvania Department of Education.”

Club Offers Opportunity!

Evergreen After School Club is a positive place that offers a variety of recreational, instructional, and social activities.

However, it is much more than that. Club engages youth in activities that are fun, enjoyable and at the same time, support the development of the following capabilities:

- **Positive Self-Identity**
- **Educational, Employment, Social, Emotional, and Cultural Competencies**
- **Community and Civic Involvement**
- **Character Development**

CORE PROGRAMS & CHARACTERISTICS

Evergreen After School Club is a safe place to learn and grow while having ongoing relationships with caring, adult professionals; they create hope and opportunity— all while having fun!

Club consists of homework assistance, tutoring, enrichment activities focused on STEAM, time for recreation and social interaction, as well as programs in our core areas:

Character & Leadership Development; Education & Career Development; Health & Life Skills; The Arts; and Sports, Fitness, and Recreation.

Our programs are research-based and nationally recognized as successfully addressing the most critical issues affecting today's youth. Trained staff provide core programs that give youth the knowledge, skills, and attributes they need to pursue their dreams and succeed in life.

Character & Leadership Development

-Empowers youth to support and influence their Club and community, sustain meaningful relationships with others, develop a positive self-image, participate in the democratic process, and respect their own and others' cultural identities.

Education & Career Development

-Empowers youth to become proficient in basic educational disciplines, applies learning to everyday situations, and embraces technology to achieve success in a career.

Health & Life Skills

-Enhances young people's capacity to engage in positive behaviors that nurture their own well-being, set personal goals, and live successfully as self-sufficient adults.

The Arts

-Encourages youth to develop their creativity and cultural awareness through knowledge and appreciation of the visual arts, crafts, performing arts, and creative writing.

Sports, Fitness, & Recreation

-Develops fitness, positive use of leisure time, skills for stress management, appreciation for the environment, and social skills.
